

FIPATEL - SELECTIVE MARKET

18th Edition — 18th-23rd January 2005

REQUIRED MATERIAL FOR THE CATALOGUE AND THE WEBSITE:

The following material will be necessary for preparing the catalogue :

- 1— A **synopsis** (10/15 lines) in french and in english
- 2— A complete **list of technical credits**
- 3— A **set of black and white or coloured photographs of the program** (paper, slide or digital). If you choose **the digital format as TIFF, EPS or JPEG**, please make sure to send us **scans with sufficient size and resolution (250 dpi)**.

You can send these by email at redaction_catalogues@fipa.tm.fr

- 4— **The entry form with entry fees** (unless you have already paid them)

No need to communicate us elements already sent

MATERIAL FOR THE SELECTIVE MARKET

Fipatel using now a digital system, the selected programs will be encoded. **The encoding cost is in charge of the producer.** A special fare has been negociated in partnership with LVT/CMC laboratories:

0,70 € (out of taxes)/Mn

Fipa will charge you this service

We thank you to send us as soon as your program is selected:

A BETACAM VIDEOTAPE, DIGITAL OR SP OF THE PROGRAM

(Subtitled into english or french if it is not the original languages)

By the end of the event, the FIPA will send back to you the Beta as well as a data file of your program on a CDROM.

The FIPA will keep all the programs on the data-processing informatics server. The archives in stock won't be used without the authorization of the entitled-beneficiaries.
